

**WHEN NOTHING ELSE WILL;
BOSELON® MIL**

AICELLO

BOSELON

The World's First & Best Anti-Corrosion Film

The World's First VCI Film

BOSELON® is a Volatile Corrosion Inhibiting (VCI) film commercialized by AICELLO that's been in use since man first stepped foot on the moon in 1969. The film has gained an unparalleled reputation in the world of corrosion protection.

OVER 50 YEARS OF HANDS-ON EXPERIENCE WILL PROVIDE YOU WITH THE BEST CORROSION INHIBITING SYSTEM

The BOSELON® Advantage

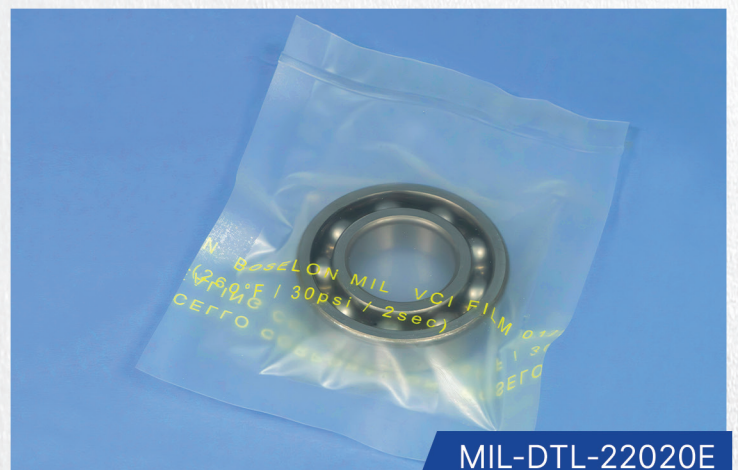

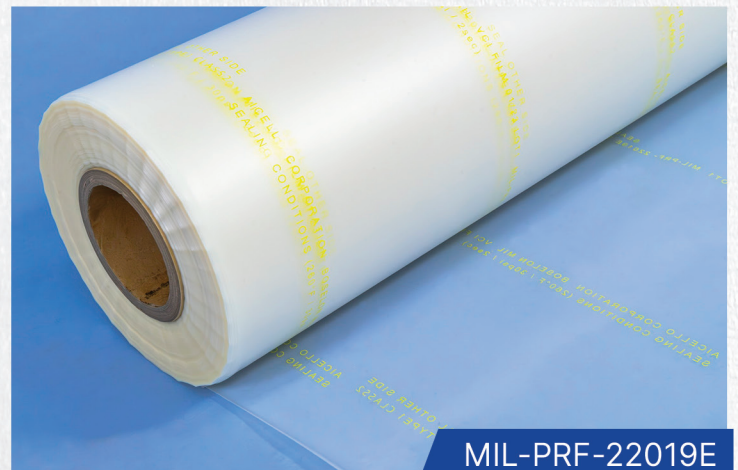

- ✓ Corrosion inhibiting effect is fast and long-lasting.
- ✓ Films are available in a variety of grades; the most suitable grade should be selected to meet specific requirements.
- ✓ Transparent films allow contents to be easily identified and inspected.
- ✓ Corrosion inhibition and packaging are completed in a single process, minimizing labor cost and maximizing productivity.

BOSELON® MIL

Qualified by the Department of Defense as meeting all MIL-PRF-22019E standards.

The world's first VCI Film, is now also the world's best for Aerospace and Defense needs.

- ✓ Can be converted in accordance with MIL-DTL-22020E.
- ✓ Qualified on the QPL.
- ✓ Made completely of PE for greater recyclability.
- ✓ Qualified as JL military coded data.
